# President's Message

Dear Akron SPE Members,

It is early morning and I am taking time to reflect on past, current and future events. It would not be a reach for me to say that all of us have been affected by past events, especially Covid-19. Many have had their lives turned upside down due to work, travel and meeting restrictions. We have been told that this is the "new normal". I do

not believe that. I believe that we have been challenged with finding new solutions to the problems we are dealing with. Whether it is work, school, travel or meetings, I am confident that we have the ability to use our collective knowledge and experience to make life and the world better than it has ever been. This will not be easy, but I am confident that sometimes being challenged with having to think outside of the box, that everyone associated with SPE and the related societies we belong to can do remarkable things. I know that our upcoming events, some of which are going to be held jointly with other sections and organizations, will cover current issues that should be addressed as well as innovation(s) and new ideas that we can investigate that can make life and the world that we live in a better place.

I guess that my view of a "new normal" is one that is exciting and that holds great opportunities if we choose to embrace them. The one thing I do know is that we need to stay involved and active, and that we need to have the courage to make a difference.

President, Akron Section

# 2021 Scholarship **Program Information**

#### **Background**

The purpose of the Akron Section of the Society of Plastics Engineers Scholarship Program is to promote Knowledge in polymer science, engineering, and technology.

Started in 1983, it has awarded over \$300,000 to area students. Preference is given to students enrolling in two and four-year programs with a focus on plastics and polymers.

Scholarships of up to \$3000 per year will be awarded and can be used for tuition, books, laboratory fees, and other educational costs necessary to earn certification, associate or baccalaureate degree in preparation for a career in the polymer industry.

#### Scholarships Available

Goodyear Tire & Rubber Company

Rubbermaid

Kenneth L Sharp Memorial Scholarship

Jim Steiner Memorial Scholarship

SPE - Akron Section
Special Merit Awards

Names of scholarship recipients will be distributed to donor companies for possible internship or cooperative programs. The number of scholarships awarded per year will vary according to the number of qualifying applicants.

#### First-time Applicants

Interested students from local high schools, technical, and vocational schools, and area colleges are encouraged to fill out the attached SPE Scholarship Application form, including the essay, references, and current transcript. Students are encouraged to discuss their interests in plastics.

All scholarships are awarded for one year with option for renewal. The awards are for full-time, undergraduate, students only. Co-op students are also eligible

#### Renewal Applicants

Renewal Instructions:

- 1. Maintain a minimum **2.5/4.0** grade point average or equivalent.
  - Submit grade reports and course selections demonstrating polymer-related curriculum prior to start of next semester.
  - 3. Apply for renewal scholarship using SPE application form. (References and essay are not required for renewal.)

# Scholarship applications should be sent to:

Akron SPE Attn: John Fellenstein 250 South Forge Street Akron OH 44325-0301

OF

jfellenstein@uakron.edu Deadline is March 19, 2021

#### Selection Criteria

- 1. Scholastic Achievement
- 2. Interest in a plastics career
- Extracurricular activities
- Financial need
- 5. Two letters of reference from instructors or supervisors. (to be included with application)

Residence within area covered by Akron SPE

#### 2020 Award Recipients

**Rubbermaid Scholarship** 

Walid Abuhashim

University of Akron

#### Ken Sharp Memorial Scholarship

Christian Jenkins

The University of Akron

#### **Goodyear Scholarship**

Steven Prexta

The Ohio State University

#### Jim Steiner Memorial Scholarship

Ian Malpass

The University of Akron

#### SPE – Special Merit Scholarships

Tanner Brahler-University of Akron Erin Christian-Ohio State University Emma Harmon- University of Akron Carter Kuwatch-University of Akron Kaila Oberhaus-Ohio State University Victor Vogt- Texas A & M University

#### 2021 "Wonders of Plastics" Essay Contest

The Akron section of the Society of Plastics Engineers (SPE) is pleased to announce the 2021 "Wonders of Plastics" essay contest.

#### **Eligibility**

The contest is open to all middle/junior high and high school students. The essay must be sponsored by one of the students' teachers.

#### **Prizes**

First place high school essay - \$100 First place middle/junior high school essay - \$100

The sponsoring teacher of each winning essay will receive \$25

The winning essays will be printed in the Akron Section's Newsletter.

#### **Topics to consider**

Advantages of plastics in food packaging

Creative use of recycled plastics

How plastics benefit humankind

Plastics in the environment

Plastics usefulness in society

What plastics have done for me

How plastics improve our lifestyle Why the bad reputation of plastics is wrong

#### **Submit your Essay to**

Polymer Engineering The University of Akron Attn: John Fellenstein 250 S. Forge St Akron, OH 44325-0301

Questions may be directed to the Akron SPE Education Committee, attention: John Fellenstein by phone or email

**Tel:** 330-972-6334 | **Fax:** 330-972-2624

Email: jfellenstein@uakron.edu

Entry must be postmarked by February 28, 2021!

#### REQUIREMENTS FOR SUBMISSION

General

Length: Between 500 and 1,000 words

Format: Typewritten in English on 8 ½ x 11 paper, title to appear as heading on

each page; no name on any page except the entry form that must accompany each essay; 1-inch margins minimum on all sides

Authors: The essay may be written individually or co-authored by two students

Deadline: February 28, 2021 (postmarked)

#### **Organization**

The organization structure of the essay should be "logical," including the following considerations:

Introduction: Optional

Thesis: Several sentences

Development: This section should be several paragraphs and should discuss the theme,

analyze it, feature informal research about the theme, etc.

Conclusion: This section should be at least one paragraph in which the author

summarizes the ideas presented in the essay

#### **Mechanics**

Spelling should be correct; syntax should be readable; punctuation should be conventional. Essay should be free of sentence fragments. Diction (word choice) should be appropriate to the subject and the writer's understanding of the topic. Point of view should be appropriate to the topic/subject and remain constant and consistent. A mixture of first and third person is acceptable if it is appropriate to the voice of the essay. However, the use of second person ("you" either stated directly or implied) will change the "voice" of the essay in a manner damaging to its effectiveness. Footnotes and references must be included when necessary.

#### **Judging**

Essays will be judged by a panel. In order to be judged, the essay must meet all the conditions as stated in the organization and mechanics above, with only incidental errors in mechanics. The essay must also meet the assigned minimum length and must be submitted following the prescribed format.

Founded in 2005, Performance Additives' goal is to open the global supply chain to make raw materials and polymer technology more accessible to North American manufacturers. We have warehouses strategically placed around the USA for efficient inventory management, a sales/technical support team readily available, as well as a technical lab in North Carolina to offer complete customer support. Our product line has a large focus on the PVC industry but is diverse enough to be capable in all polymer types.

- Acrylic and SAN Process Aids
- Acrylic and MBS Impact Modifiers
- Chlorinated Polyethylene (CPE)
  - Rigid and Flexible Grades
- CPVC Resins and Compounds
- Specialty Additives
  - Antioxidants
  - UV Absorbers
  - Light Stabilizers
  - Nucleating Agents/Clarifiers
  - Optical Brighteners
  - Flame Retardants
- Recycled PVC
  - Buy and Sell Reclaimed PVC Material
  - Toll Grind and Pulverize Facilities

For details on pricing and availability in North America, please contact Performance Additives today.

# **Board Meeting Minutes – December 7, 2020**

Call to Order: Zoom meeting called to order at 5:30 PM – Host David Schultz for Larry Stanek

**Present –** Gary Taylor, John Fellenstein, Bob Weiler, David Schultz, Tony Dean, Keith Pelfrey, Nicole Fraifogl, Joe Mattingly, Sherri Makar Hart and Joshua Seylar

Absent: Larry Stanek, Tom McQuaide, Sahil Gupta, Bob Wegelin, Kevin Malpass and Dan Jones

#### **Minutes from Previous Meeting**

Minutes from November meeting were reviewed and unanimously approved.

#### **President's Remarks**

Still in place President-Elect for 2020-21 is still needed - Larry is serving a second term as President until another board member is able to fill the position. We will proceed as noted a committee of BOD handling ideas, suggestions and set-up for meetings along with Rik Keeley and Susan Montgomery-Cleveland. He wishes all a safe and healthy year as we continue forward on virtual basis.

In addition most IMPORTANT ACTION ITEM- Search for SOCIAL MEDIA HELP!!

It will help to make sure SPE and it's activities and meetings are seen and thus bring added attendance to our meetings!!!

#### Technical Program 2020/21—Larry Stanek, David Schultz

Upcoming programs:

We discussed getting a Zoom license, Missi Sakach re ACESS informs she is able to help us and Cleveland with her supplier in Akron area for the year 2021.

BOD discussed ideas for programs for upcoming year. Meeting types were discussed from virtual to in person- being considered. Dan Jones has suggested Plastics Problems and also provided details and sites for review- Dan had supplied supporting data Plastics and Environment. This has now been set for January 2021 meeting date TBD. Dan, Sherri and Keith along with David working with Cleveland to align. Other ideas include

BOD discussed ideas for programs for upcoming year

Susan Montgomery informs Cleveland is developing a meeting for February- stay tuned.

Larry Stanek has made contact with Jeff Hoffman for target March 2021 a Virtual meeting around Innovation as a theme.

- Need updates on potential other topics.
- Keith Pelfrey noted U of A Professor doing work on bio-based films.
- Joe Mattingly will follow-up on options for touring Goodyear, Innovation Center.
- Nicole Fraifogl suggested 3-D printing options.
- Taking a virtual tour of University of Akron discussed and possible presenters.

Group discussed benefits of having tours: even virtual tours may be possible high participation, lower cost for attendees and profitable for section.

Carry-over ideas that still need to be discussed or omitted:

- Advances in Technology and Engineering, try to engage Student Chapter/ PESO, NPIC and local area companies- will discuss opportunities with Cleveland.
- Dave Schultz recommended Bio-Med 3-D printing tour.
- Hands-on Engineering oriented meeting, involves students to greater extent and 3D Printing.
- Nicole noted a medical potential talk with Cleveland based 3D Heals.
- Joe Mattingly brought up Extrusion Mini-Conference, Twin-screw and Continuous mixing plus potential for 3D Printing visit.

# **Board Meeting Minutes – 12/7 continued**

Carry-over ideas that still need to be discussed or omitted: (continued)

- Americhem tour- Joe Mattingly to check.
- AICHE interest in future joint meeting- Dan Jones to handle with Bartev- E Week.

Special note: Mid Atlantic Rubber and Plastics Group hosted a Virtual format meeting Nov 10- discussion-Tony and Sherri who attended.

DRS sent request to send their meeting to our membership they responded yes no problem wide audience is good since virtual now can extend attendance area.

#### House—Gary Taylor

No report all Virtual format on plan for this year.

#### Membership—Nicole Fraifogl

Membership is at 175 members. Regroup and made calls, sent letters and e-mails to ALL lapsed members- Committee David Schultz, Keith Pelfrey and Sherri Hart. Keith reports he has received added feedback re interest from member- suggesting Lab tours of various Labs in the area.

#### Treasurer—Gary Taylor

Gary reported he is up to date on financials, finalized review of Expenses through November 2020. Taxes complete for year- audit in process.

Budget set November difficult with many changes occurring currently re COVID 19 issues.

Set with Square online for Virtual meetings.

ASPE provided to Intl SPE Education Foundation- PlastiVideos on Giving Tuesday.

#### Councilor—Dan Jones

No report.

#### **Education Committee—John Fellenstein**

John reports that ASPE and Mini Science Olympiad both set for virtual format this year.

ASPE needs Judges for their end of Jan Science Fair.

#### Student Chapter—Joshua Seylar

Joshua Seylar informs of U of Akron reorganization with Dept of Polymer Science and Polymer Engineering into Engineering school. He informs he will review Advisor role for expanded Student Chapter with Dr. Mark Soucek.

#### Public Interest/Website/Newsletter—Tony Dean

Tony informs that he is up to date.

BOD discussed whether to provide free advertising to companies that we tour. Suggested charge in the following year.

#### National Awards—Larry Stanek, Keith Pelfrey

Keith and Team need to know what direction to move for May 2021- Virtual, letters etc.

Bob Weiler was informed that he received the Honored Service Member Award- A BIG

CONGRATULATIONS to Bob well deserved of this Award after many years of service both Vinyl Division and Akron Section- SPE. Target next year to nominate Joe Mattingly.

# **Board Meeting Minutes – 12/7 continued**

#### **Section Awards—Keith Pelfrey**

No report.

#### **Education Foundation—Joe Mattingly**

Joe requested that BOD consider addition to Educ Fdn for year 2020- plans to regroup and discuss- Dec 2020.

We regrouped and discussed opportunity to further fund new Scholarship, it was discussed and motion made to Provided funds for ASPE to Educ Fdn to fund a new Scholarship for Bob Wegelin from Akron Section. Vote was taken and passed.

Joe reports that modification of Educ Fdn Portfolio has paid off very well as we hit for end of year 2020 highest level since the inception of the Educ Fdn 25 plus years ago. Bylaws still under review.

#### **Growth Committee—Kevin Malpass**

IMPORTANT.

Kevin reports he has forwarded the list that had been developed, work on a couple of Action items, then with those complete re-group and fine tune added items.

Suggested to develop a brochure re Top 20/10 reason to join SPE- Akron for Awards Banquet and as well include Application potential to join Akron Section.

# **Board Meeting Minutes – 12/7 continued**

#### 2020 TPE TOPCON—David Schultz

Akron set to host TPE TOPCON for October 2022 - hope onsite vs virtual.

#### **ACESS Update**

ACESS BOD is still on Virtual Zoom format and no societies are reaching out yet with meetings. Would probably be very interested to join Ak/Cleve virtual meetings Jan, Feb and March this next year- Virtual.

#### **Old Business**

None to report.

#### **New Business**

Interest in future in hosting a Podcast.

#### Notes / Follow Up Needed:

Status of new named SPE Akron section scholarship.

Joe recommended BOD meetings provide call-in/remote access for members who cannot attend inperson. Free online meeting services such as ZOOM.

Meeting Adjourned 6:10 PM

Next BOD meeting set for January 4- Zoom hosted by David Schultz– Covid-19 issues In future may regroup and determine meeting location on site??

Merry Christmas and a Happy New Year

#### **Akron Section Society of Plastics Engineers Educational Foundation**

1-20

The Akron Society of Plastics Engineers Educational Foundation operates exclusively for the benefit of and to carry out the purposes of the Akron Section of the Society of Plastics Engineers, which is to promote scientific and engineering knowledge relating to plastics by making educational scholarship grants to deserving students in the field of plastics engineering and related subjects. The Organization is supported primarily by contributions from the Akron Society of Plastics Engineers, the Society's individual members and corporations like yours affiliated with the polymer industry.

Since the inception in 1983, the Akron Society of Plastics Engineers Educational Foundation has grown to its current position through the hard work of many volunteers and the generosity of the local business community. Over the thirty years that the foundation has been in existence, it has provided scholarships to over 275 young men and women totaling in excess of \$385,000 to assist them in furthering their careers in the polymer industry.

Our goal is to continue to grow the assets of the Foundation in order to increase the number of scholarships awarded, as well as the size of the awards, and to do so in perpetuity. In doing this, we hope to be able to contribute to the supply of well-trained individuals to support the growth of the polymer industry in the Northeast Ohio area today and well into the future.

When the Foundation began its fund raising activities in 1983, we offered those companies who contributed a substantial donation, a perpetual annual scholarship in their name. To date we have four named scholarships, Newell/Rubbermaid, Goodyear, Ken Sharp Memorial and Jim Steiner Memorial scholarships. We are asking your company to help with the growth of well-trained individuals in the local polymer industry. Please print this page, fill out the information and mail it to Joe Mattingly, 4918 Massillon Rd, North Canton, OH 44720.

Our named scholarship donors are recognized at the annual Awards Night of the Akron Society of Plastics Engineers. We invite you to present your tax deductible donation at our Awards Night held in May each year.

We look forward to your support of this very worthwhile cause by your fine company. Please contact me at (330) 208-6913 with any questions. Thank you for your consideration.

Sincerely,

Joe Mattingly, Foundation Chair

Akron Section Society of Plastics Engineers, Educational Foundation
